

## Optimal MPO Patchcords

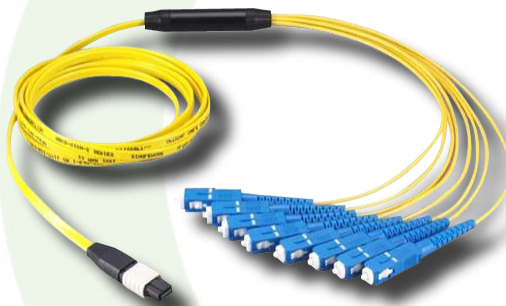

### Application

MPO cabling systems offer greater flexibility, easier installation and reduce the necessary physical space requirements compared to traditional cabling methods.

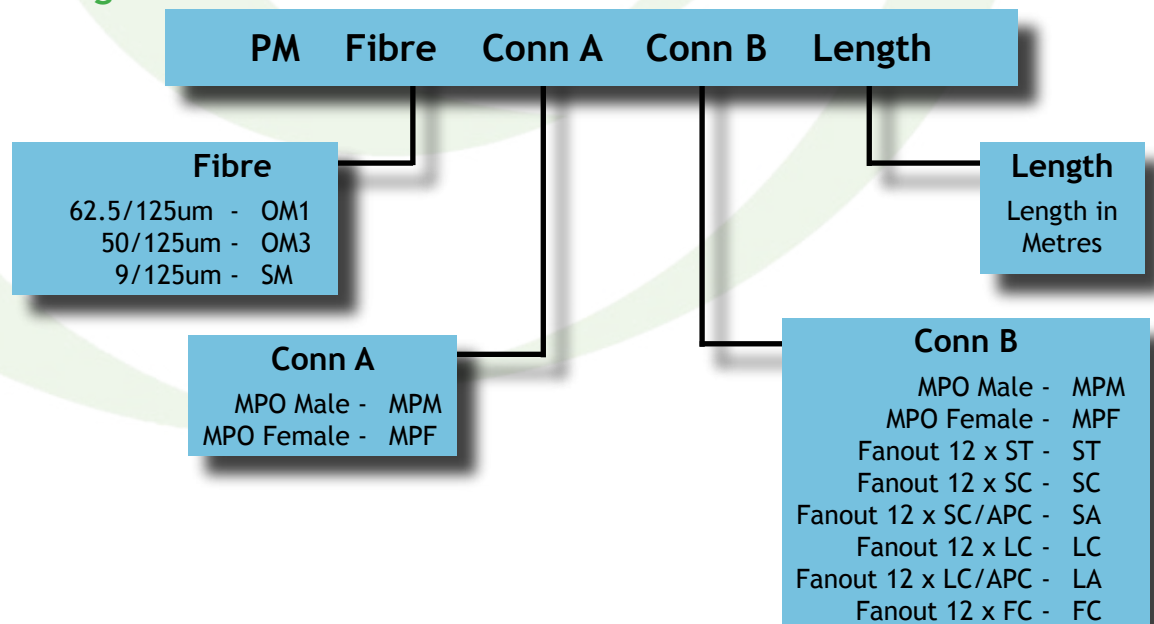

12 fibre preterminated ribbon cables are simply pulled into place and click fitted to premade cassettes or, optionally the terminations can be fannouts with your choice of connectors. Optimal is able to supply MPO Patchcords custom made to your requirements.

### Features

- 12 fibre configurations
- Fanouts available to most popular connector types.
- Industry standard MPO connectors
