

Application

ReelClean500 is an easy to use and portable connector cleaner.

Simple to use by squeezing the lever and wiping the connector tip once only on the freshly exposed cleaning tape.

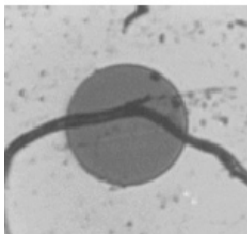

Features

- Over 500 wipes from one ReelClean500
- Designed for most standard simplex optical connectors
- Compact size for easy hand-held operation
- Best results from by one time wipe
- Saves time over traditional cleaning methods
- Dry Special Anti-Static Microfiber lint and solvent free fabric
- Easy reel replacement
- Window shows remaining cleaning fabric
- Resilient Rubber Pad surface under cleaning tape
- RoHS compliant

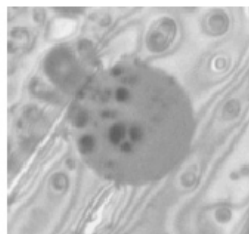

How to Clean

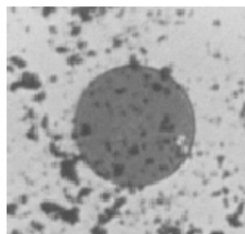

- Squeeze the operating lever, automatically opening the cleaning slot and advancing the cleaning tape
- Wipe the connector ferrule once in the direction of the arrow
- Release the operating lever
